5:05 PM MIKE leaves work in car and proceeds to driveway west of his apartment building via usual route. Parks car.

5:32 PM MIKE proceeds to Customer Service Desk, 2nd Floor, Sears and Roebuck. Then walks to delicatessen at East 86th and Carnegie and buys groceries.

5:56 PM MIKE enters his apartment building.

8:25 PM MIKE leaves apartment building, walks East on Carnegie, North on East 91st Street to Euclid. Enters ~~Tom's~~ *Tom's* bar three doors West of East 91st on South Side of Euclid.

Sits at bar and has beer with an unknown man -

Description of unknown man:

5' 8"-5' 10", 165-175 lbs., dark hair, about 35 years, white, male, very round shouldered while sitting, wearing hat, shirt, no tie, old trousers and coat.

Agent ANDERSON sits four stools from MIKE. Only parts of conversation could be heard due to juke box. Unknown man talked very loud. Overheard unknown man say "It's stupid just because you know a guy" — couldn't hear the next few words then heard "to follow" — which was said by unknown man.

Unknown man referred to MIKE as "MIKE" and indications from talk was the two have known each other for a period of time. Unknown man made statement to MIKE "that your wife would enjoy that MIKE". Unknown man kept mentioning "IRENE" who might be his wife. Unknown man and MIKE talked of photography. He asked MIKE "how long do you think it should be developed — 30 seconds?" The two talked of occasions when they had been

Also they talked of some man in the salesman's line. Unknown man said "What am I to do — sell him a drafting machine?" Unknown man told of how one time he had fine suits and liked good clothes, but now is content to wear old clothes. On two or three occasions a name was overheard which sounded like "GUS" but writer could not definitely determine this. Unknown man talked very loud, MIKE talking in low tones at beginning. At times both spoke in a quiet voice. Toward end, MIKE was talking loud and laughs a great deal. Unknown man, just before leaving said — "Now, MIKE a serious question" — could only hear words "Parking... Euclid Ave."

They left bar together at 9:53 PM and both walked to East 89th and Euclid where they stood on corner and talked for three or four minutes.

Mike proceeded toward home. Unknown man walked North on East 89th just off Euclid and entered a light green Pontiac coupe believed to be about a 1940. Ohio 1950 license number YR-34. Rear license plate light and right rear tail light out. He drove East on Euclid and I could not follow as I was on foot.
